WHEREAS, Serious concern about the quality of San Francisco public schools has been voiced in recent years and many of the problems prompting these concerns are of long standing and have become increasingly complex; and

WHEREAS, State Superintendent of Public Instruction, Dr. Wilson Riles, a nationally known and respected educator, has taken a strong personal interest in the welfare of San Francisco school children, and has proposed the formation of a blue-ribbon commission to work with the San Francisco Board of Education to recommend and assist in the implementation of agreed upon solutions; and

WHEREAS, The members of this commission would be highly respected citizens, committed to San Francisco, who would be in the position to help implement recommendations made by the commission; and

WHEREAS, This proposed program would give the San Francisco schools an opportunity to become a model for urban school districts throughout the country; and

WHEREAS, The formation and operation of such a program and reform commission would be largely funded by $200,000 of private foundation monies, the bulk of which Dr. Riles is willing to garner for the School District; and

WHEREAS, The financial obligation of the San Francisco Unified School District in implementing this program would be $25,000 in cash (or 1/5600th of the total School District budget of $140 million), while in-kind demands on the school district would be approximately $41,500 which, Dr. Riles is assured by school district staff, could be absorbed by existing staff and programs; and

WHEREAS, This proposal was rejected by the San Francisco Board of Education on Tuesday, September 24, 1974; and

WHEREAS It is the belief of this Board of Supervisors that the opportunity presented by the Riles proposal is one which should be grasped rather than be allowed to slip away; now, therefore, be it

RESOLVED, That this Board of Supervisors does hereby urge the San Francisco Board of Education to reconsider its rejection of the Riles proposal and, if necessary, explore with Dr. Riles possible mutually agreeable modifications of the proposal; and, be it

FURTHER RESOLVED, That this Board does call on the citizens of San Francisco to support the efforts of Dr. Riles to implement this vital program to upgrade our public education; and, be it

FURTHER RESOLVED, That copies of this resolution be forwarded to His Honor, the Mayor, for transmittal to the San Francisco Board of Education with the request that the sense of this resolution be effectuated.

FILE NO. 520-74 RESOLUTION NO. 882-74

DECLARING OFFICIAL RECOGNITION OF THE HONORABLE GEORGE J. WHELAN AS THE EIGHTH MAYOR, AND THE HONORABLE JOSEPH L. ALIOTO AS THE THIRTY-SIXTH MAYOR, OF SAN FRANCISCO.

WHEREAS, City Archivist Gladys Hansen and local historian William Heintz have carried out extensive historical research over the past six years into the office of the Mayor of San Francisco, especially as to the precise dates each Mayor served the City; and

WHEREAS, This historical research has determined that there is a total of 36 Mayors dating from the City's formal incorporation on May 1, 1850; and

WHEREAS, Previous lists of Mayors have been inaccurate in that the second Mayor of the City, Charles J. Brenham, was out of office for six months between his two terms, and is and was in reality, the second and fourth Mayor of San Francisco rather than only the second; and

WHEREAS, Through painstaking research and diligent documentation in all available historical sources, it has been determined that the City has a so-called "missing" Mayor, in the name of George J. Whelan, who has never officially been credited for such service in official City lists, but who did indeed serve as Mayor from July 8, 1856 (during the time of the Second Vigilante Movement), until November 15, 1856; and

WHEREAS, The recently discovered official records of the City Treasurer in the basement of City Hall, dating back to the 1850s and 1860s and now deposited with the City Archivist, support the above findings; now, therefore, be it

RESOLVED, That, based on these discoveries and determinations, this Board of Supervisors does hereby officially recognize the late Honorable Joseph J. Whelan as the eighth Mayor of San Francisco, and, be it

FURTHER RESOLVED, That the incumbent Mayor, the Honorable Joseph L. Alioto, be henceforth recognized as the thirty-sixth Mayor of San Francisco, and that all Mayors subsequent to Mayor Whelan be renumbered accordingly; and, be it

FURTHER RESOLVED, That copies of this resolution be forwarded to his honor, the Mayor, for transmittal to Ethel S. Crockett, State Librarian, and to Gladys Hansen, City Archivist of San Francisco.

RESOLUTION NO. 894-74

URGING THE MAYOR'S OFFICE OF MANPOWER TO ASSUME RESPONSIBILITY FOR PROMOTION AND COORDINATION OF YOUTH JOB PROGRAMS, INCLUDING ADMINISTRATION OF GAS-TAX FUNDED PROGRAM; AND REQUESTING SAID OFFICE TO REPORT ON A PROGRAM FOR CONTINUED PROMOTION OF YEAR-ROUND, PART-TIME JOBS FOR YOUTH.

WHEREAS, Duplication of current efforts by public and private agencies in administration, development and allocation of jobs for youth within the City, with resultant confusion and frustration on the part of young people seeking jobs in the community, together with lack of dramatic positive results in production of jobs for youth, would serve to justify the promotion and coordination of all youth job programs through one central authority; and

WHEREAS, Development of a concerted and planned approach to summer job programs would help to obviate a major difficulty inherent in existing programs by providing a more equitable system for allocation of jobs to disadvantaged youth in the various communities within the City; and

WHEREAS, If administration of the summer job program for youth funded by gas-tax monies were to be included under such a coordinating authority, the funds therefor could be utilized more efficiently; and

WHEREAS, The Mayor's Office of Manpower has a competent staff adequate to carry out an effective job of promoting and coordinating jobs for youth within the City by working with citizens of stature in the community, community and youth groups, and other public agencies, and would be in an ideal position to coordinate the promotion of year-round, part-time jobs for youth; now, therefore, be it

RESOLVED, That this Board of Supervisors of the City and County of San Francisco does hereby urge the Mayor's Office of Manpower to assume the responsibility for promotion and coordination of youth job programs, as set forth in a memorandum from the Mayor's Deputy for Social Programs, dated November 8, 1974, on file in the Clerk's Office in File 269-74, and incorporated herein by reference, including, if legally feasible, the administration of the gas-tax funded summer youth program; and, be it

FURTHER RESOLVED, That this Board of Supervisors hereby requests said Office of Manpower to report to the Community Services Committee by its December 13 meeting on the setting-up of a program of coordination within the community for continued promotion of year-round, part-time jobs for youth, together with anticipated costs of such a program; and, be it

FURTHER RESOLVED, That copies of this resolution be forwarded to his Honor, the Mayor, the Chief Administration Officer, the Director of the Mayor's Office of Manpower, the Mayor's Deputy for Social Programs, the Director of Public Works and the General Manager of the Recreation and Park Department.

URGING THE SHERIFF'S DEPARTMENT TO PREPARE A SUPPLEMENTAL APPROPRIATION FOR HIRING OF ADDITIONAL PERSONNEL TO PHASE INTO OPERATION THE CONSOLIDATION OF THE JAIL FACILITIES.

WHEREAS, The philosophy in the Criminal Justice System is to reduce the role of the Police Department in the detention of prisoners and to increase their activites in the law enforcement field and the present day trend is to separate the functions of law enforcement and correctional service; and

WHEREAS, The Board of Supervisors adopted Resolution No. 752-73, calling for a merger of jail facilities of the City and County and established a committee to prepare a plan therefor; and

WHEREAS, A report has been prepared and submitted to this Board urging that the jail facilities be merged under the jurisdiction of the Sheriff's Department; and

WHEREAS, Over $16 million are now being spent annually on services to San Francisco residents who are developmentally disabled, including those individuals who are autistic, cerebral palsied, epileptic, mentally retarded and neurologically handicapped, and without documentation through planning, identification and prevention, gaps and duplications in services will be difficult or impossible; and

URGING THE UNITED STATES DEPARTMENT OF INTERIOR TO CONSIDER PROPOSAL FOR SCULPTURE GARDEN IN FORT MASON AREA OF GOLDEN GATE NATIONAL RECREATION AREA.

WHEREAS, The Bufano Society of the Arts has proposed the creation of a sculpture garden for San Francisco, similar to the Millesgarden in Stockholm and Vigeland Park in Oslo, to be completed in time for the Twin Bicentennial Celebration, beginning in July 1976; and

WHEREAS, The main sculpture pieces in the park will be the work of San Francisco's own renowned sculptor, Beniamino Bufano, with contributions by other talented artists from California, the nation, and around the world; and

WHEREAS, This unique sculpture garden would enhance San Francisco's reputation as a nationally and internationally recognized cultural center; and

WHEREAS, Sculpture will be obtained by commissions and juried competitions, such as were held in Florence in the 16th century and resulted in Florence becoming the art capitol of the world; and

WHEREAS, The proposed site for the sculpture garden is the open spaces of the Fort Mason area of the Golden Gate National Recreation Area, which has also been proposed as the location of a regional performing arts center; and

WHEREAS, The proposed sculpture garden would not interfere with any other proposed recreational uses of the area, but would complement them; and

WHEREAS, A sculpture garden adjacent to a performing arts center will provide a rare opportunity to combine two modes of creative endeavor into one center of cultural activity; and

CONCURRING IN FINDING AND POLICY OF SAN FRANCISCO REDEVELOPMENT AGENCY LIMITING AVAILABILITY OF OFF-STREET PARKING SPACES FOR BUILDINGS IN LAND USE DISTRICT E, AND FIXING EFFECTIVE DATE.

WHEREAS, Implementation of the Redevelopment Plan for Yerba Buena Center, in a manner consistent with the objectives of San Francisco's Downtown Transportation Plan and the City Planning Code, can achieve highly desirable environmental results; and

WHEREAS, Public off-street parking has been constructed and has been authorized to be constructed in Assessor's Blocks 3723, 3724 and 3734 of the project area; and

WHEREAS, The San Francisco Redevelopment Agency has found, certified and resolved that requirements for off-street parking in Land Use District E of the Redevelopment Plan for Yerba Buena Center are fully satisfied by public off-street parking constructed or authorized to be constructed in Assessor's Blocks 3723, 3724 and 3734 of the project area; and

WHEREAS, Requirements for off-street parking are to be eliminated for all buildings and uses to be developed in Land Use District E up to the amount of 2,116 spaces, as otherwise required; and
